

## **Speaker Bio – Dan & Meredith Shuman**

Dan & Meredith Shuman's connection with IdRaHaJe is unique, and if you ever get a chance, ask them to tell you the full story. After sending their children to IdRaHaJe as campers and staff, the Shumans offered to also serve as Missionary teachers. Their first summer speaking with us was in 2018. They are full-time missionaries with [Back2Back Ministries](#) and serve in Mazatlán, Mexico. Dan is family physician and Meredith is a social worker. They are scheduled as back-up Missionary teachers for Week 8 this summer.
