

Aspen View Skills Classes

Please note: Campers will have the opportunity to participate in a select number of the available skills classes.

- **Arts & Crafts & Pottery:** Campers will create a work of art from scratch while learning basic crafting techniques. Campers will also have the opportunity to learn ceramic basics and experience creating a pottery piece from start to finish. During this skill, campers will get their hands dirty and bring their own projects to life through forming and painting. Don't miss this opportunity make and take home amazing pieces of art!
- **Classic Sports:** Do you love to compete with new friends in sports like ultimate frisbee, kickball, soccer, or volleyball? Then join the Classic Sports skills class to learn one of these sports and then compete in a game. Game on!
- **Climbing & Rappelling:** Has your camper ever wanted to learn about rock climbing and rappelling? Now's their chance! In this introductory class, campers will learn all about climbing, rappelling, knots, and safety. They will also get to experience climbing and rappelling by testing their skills on a real rock face.
- **Disc Golf & Map Reading:** Campers will complete one of Camp's Frisbee Golf courses during this class. Campers will have a chance to hang out with new friends as they learn the basics of Frisbee golf while hiking from hole to hole on this mountainous course. Then, campers will learn the basics of orienteering. They will split into teams and work on using maps to navigate a course that includes a word puzzle to decipher.
- **Shooting Sports:** This class will provide campers with a basic knowledge of how to shoot a bow and arrow and a BB gun. Campers will shoot several arrows while being instructed in proper stance, safety and technique. In addition, campers will learn the basic parts of a gun and become familiar with how to shoot a BB gun while following standard rules for safe gun use.
- **Survival:** This class will introduce campers to the most important survival knowledge and wilderness skills. Each camper will learn about the "Ten Essentials" and what to carry with them on a hike. Campers will also have the opportunity to build a fire utilizing proper technique as well as construct a simple shelter using basic hitches taught in class.
