

Aspen View Skills Classes

Aspen View campers will have the opportunity to select three skills classes throughout their week at camp. On Step 2 of the Online Registration Process, parents will be able to select one skills class from each category. Skills classes are available on a first-come, first-served basis. Campers will get to do each of their selected skills classes for about an hour during the week.

Category 1

- **Archery:** Do you love archery or have a desire to learn how to shoot a bow and arrow? Archery Skills Class provides students the basic knowledge of Archery. By the end of class, campers will have shot several arrows while being instructed in proper stance, safety, and technique.
- **Riflery:** Bull's eye! Learn the basic parts of a gun and gun safety by signing up for Riflery Skills Class. In this class, campers will become familiar with how to shoot a BB gun while following standard rules for safe gun use.
- **NEW FOR 2026: Tomahawk Throwing:** In this new skills class, campers will be introduced to axe-throwing tips and strategies. They will have the opportunity to throw Tomahawk axes at designated targets.

Category 2

- **Rappelling:** This class is an introduction to rappelling and allows campers to experience a 30-foot belayed rappel, as well as learn about the equipment involved in rappelling.
- **Rock Climbing:** Has your camper ever wanted to learn about rock climbing? In this introductory class, campers will learn all about climbing, knots, and safety. They will also get to experience climbing by testing their skills on a real rock face.
- **Disc Golf:** Campers will complete one of Camp's Frisbee Golf courses during this class. Campers will have a chance to hang out with new friends as they learn the basics of Frisbee golf while hiking from hole to hole on this mountainous course.

Category 3

- **Arts & Crafts:** Campers will learn crafting basics, be given the opportunity to create their own work of art with different mediums and leave with a wonderful handmade keepsake.
- **Map Reading:** Campers will learn the basics of orienteering. They will split into teams and work on using maps to navigate a course that includes a word puzzle to decipher.
- **Pottery:** Campers will be given basic sculpting instruction and get to work hands-on in creating their own little treasure.
